A Bang On The Ear – G – *

The Waterboys

G D C G

Lindsay was my first love she was in my class
I would have loved to take her out but I was too shy to ask
The fullness of my feeling was never made clear
but I send her my love with a bang on the ear

Nora was my girl when I first was in a group
I can still see her to this day, stirring chicken soup
Now she's living in Australia working for an auctioneer
but I send her my love with a bang on the ear

Deborah broke my heart and I the willing fool
I fell for her one summer on the road to Liverpool
I thought it was forever but it was over in a year (oh dear)

but I give her my love with a bang on the ear

The home I made with Bella became a house of pain
we weathered it together bound by a ball and chain
Is started up in Fife, and ended up in tears (oh dear)
but I send her my love with a bang on the ear

Krista was a rover from Canada she hailed
we crossed swords in San Francisco we both lived to tell the tale
I dont know now where she is oh but if I had her here
I'd give her my love with a bang on the ear

So my woman of the hearthfire, harbour of my soul
I watch you lightly sleeping and sense the
dream that does unfold (like gold)
You to me are treasure, you to me are dear
so I'll give you my love with a bang on the ear

Brown Eyed Girl Van Morrison – G –

Hey where did we go,
Days when the rains came
Down in the hollow,
Playin' a new game,
Laughing and a running hey, hey
Skipping and a jumping
In the misty morning fog with
Our hearts a thumpin' and you
My brown eyed girl, You my brown eyed girl.

Whatever happened
To Tuesday and so slow
Going down the old mine
With a transistor radio
Standing in the sunlight laughing,
Hiding behind a rainbow's wall,
Slipping and sliding
All along the water fall, with you
My brown eyed girl, You my brown eyed girl.

Do you remember when we used to sing,
Sha la la la la la la la la te da

So hard to find my way,
Now that I'm all on my own.
I saw you just the other day,
My how you have grown,
Cast my memory back there, Lord
Sometime I'm overcome thinking 'bout
Making love in the green grass
Behind the stadium with you
My brown eyed girl
You my brown eyed girl

Do you remember when we used to sing
Sha la la la la la la la la te da.

Country Roads – G –

Almost heaven, west Virginia
Blue ridge mountains, Shenandoah river
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze

Country roads, take me home
To the place, I be-long
West Virginia, mountain momma
Take me home, country roads

All my mem'ries, gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Country roads, take me home
To the place, I be-long
West Virginia, mountain momma
Take me home, country roads

I hear her voice, in the mornin' hours she calls to me
The radio reminds me of my home far a-way
And drivin' down the road I get a feeling'
That I should have been home yesterday, yesterday

Country roads, take me home
To the place, I be-long
West Virginia, mountain momma
Take me home, country roads

Do You Realize – C – *

Do You Realize - that you have the most beautiful face
Do You Realize - we're floating in space -
Do You Realize - that happiness makes you cry
Do You Realize - that everyone you know someday will die

And instead of saying all of your goodbyes - let them know
You realize that life goes fast
It's hard to make the good things last
You realize the sun doesn't go down
It's just an illusion caused by the world spinning round

Do You Realize - Oh - Oh - Oh
Do You Realize - that everyone you know
Someday will die -

And instead of saying all of your goodbyes - let them know
You realize that life goes fast
It's hard to make the good things last
You realize the sun doesn't go down
It's just an illusion caused by the world spinning round

Do You Realize - that you have the most beautiful face
Do You Realize

Don't Pass Me By – C – *

I listen for your footsteps
Coming up the drive
Listen for your footsteps
But they don't arrive
Waiting for your knock dear
On my old front door
I don't hear it
Does it mean you don't love me any more.

I hear the clock a'ticking
On the mantel shelf
See the hands a'moving
But I'm by myself
I wonder where you are tonight
And why I'm by myself
I don't see you
Does it mean you don't love me any more.

Don't pass me by don't make me cry don't make me blue
'Cause you know darling I love only you
You'll never know it hurt me so
How I hate to see you go
Don't pass me by don't make me cry

I'm sorry that I doubted you
I was so unfair
You were in a car crash
And you lost your hair
You said you would be late
About an hour or two
I said that's alright I'm waiting here
Just waiting to hear from you.

FOX ON THE RUN - A -

A **E** **Bm** **D**
She walks through the corn heading down to the river
Bm **E** **D** **A**
Her hair shone like gold in the hot morning sun
A **E** **Bm** **D**
She took all the love that a poor boy could give her.
Bm **E** **D** **A**
And left me to die like a fox on the run
D **A**
Like a fox, like a fox, like a fox on the run.

D **A** **E** **A**
Now everybody knows the reason for the fall
D **A** **B7** **E**
Woman tempted man down in Paradise's Hall
D **A** **E** **A**
This woman tempted me and she took me for a ride
D **A** **E** **A**
Like a lonely fox, I need a place to hide.

Oh, we'll drink a glass of wine to fortify our souls.
We'll talk about the world and the friends we used to know.
I've seen a string of girls, who've left me on the floor
The game is almost up and the hounds are at the door.

Harvest Moon - D -

Come a little bit closer
Hear what I have to say
Just like children sleepin'
We could dream this night away.

But there's a full moon risin'
Let's go dancin' in the light
We know where the music's playin'
Let's go out and feel the night.

Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon.

When we were strangers
I watched you from afar
When we were lovers
I loved you with all my heart.

But now it's gettin' late
And the moon is climbin' high
I want to celebrate
See it shinin' in your eye.

Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon.

Honky Tonky Woman – G – +

I met a gin soaked, bar-room queen in memphis,
She tried to take me upstairs for a ride.
She had to heave me right across her shoulder
cause I just cant seem to drink you off my mind.

Its the honky tonk women
Gimme, gimme, gimme the honky tonk blues.

I laid a divorcee in New York city,
I had to put up some kind of a fight.
The lady then she covered me with roses,
She blew my nose and then she blew my mind.

Its the honky tonk women
Gimme, gimme, gimme the honky tonk blues.

(yeah!) its the honky tonk women.
Gimme, gimme, gimme the honky tonk blues.

(yeah!) its the honky tonk women.
Gimme, gimme, gimme the honky tonk blues

I Like Trains (Fred Eaglesmith) - Am - E7 F G

Sixteen miles from arkadelphia, right near the texas border
traffic was stopped at a railway crossing, I took it to the border
I stoked the kettle I put it to the metal, I shook the gravel loose
I missed the train but I was happy with, a glimpse of the caboose

(chorus) cause I like trains

I like fast trains

I like trains that call out through the rain

I like trains

I like sad trains

I like trains that whisper your name
I was born on a greyhound bus
my momma was a diesel engine
they tried to put me behind the wheel
but I wouldn't let them
you should have seen the look in their eyes
and how it turned to tears
when I finally told them I wanna be an engineer

(Bridge)

now you think I've got someone new
But darling, that ain't true
I could never love another woman besides you
It's not some dewy-eyed
Darlin', darlin', that's gonna drive you insane
but anymore I'd be listenin' for
the sound of a big ol' train

(chorus)

cause I like trains

I like fast trains

I like trains that call out through the rain

I like trains

I like sad trains

I like trains that whisper your name

I Saw Her Standing There – E -

Well, she was just 17,
You know what I mean,
And the way she looked was way beyond compare.
So how could I dance with another (ooh)
When I saw her standin' there.

Well she looked at me, and I, I could see
That before too long I'd fall in love with her.
She wouldn't dance with another (whooh)
When I saw her standin' there.

Well, my heart went "boom,"
When I crossed that room,
And I held her hand in mine...

Well, we danced through the night,
And we held each other tight,
And before too long I fell in love with her.
Now, I'll never dance with another (whooh)
When I saw her standing there

Well, my heart went "boom,"
When I crossed that room,
And I held her hand in mine...

Oh, we danced through the night,
And we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another (whooh)
Since I saw her standing there 3x

I've Just Seen a Face – G -

by Lennon, McCartney

I've just seen a face,
I can't forget the time or place
That we'd just met, she's just the girl for me
And I want all the world to see we've met
Na na na na na na

Had it been another day
I might have looked the other way
But I had never been aware
And as it is I dream of her tonight
Na na na na na na

CHORUS:

Falling, yes I am falling
And she keeps calling me back again

I have never known
The likes of this, I've been alone
And I have missed things and kept out of sight
But other girls were never quite like this
Na na na na na na

CHORUS

I've just seen a face
I can't forget the time or place
And we'd just met, she's just the girl for me
And I want all the world to see we've met
Na na na na na na

CHORUS

Let it Be – A –

Open with banjo Beverly Hillbillys

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be.
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom, let it be.
Let it be, let it be.
Whisper words of wisdom, let it be.

And when the broken hearted people
Living in the world agree,
There will be an answer, let it be.
For though they may be parted there is
Still a chance that they will see
There will be an answer, let it be.
Let it be, let it be. Yeah
There will be an answer, let it be.

And when the night is cloudy,
There is still a light that shines on me,
Shine on until tomorrow, let it be.
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, let it be.
Let it be, let it be.
There will be an answer, let it be.
Let it be, let it be,
Whisper words of wisdom, let it be

A Man of Constant Sorrow – G –

I am the man of constant sorrow
I've seen trouble all my days
I bid farewell to ol' Kentucky
The place where I was born and raised.

The place where he was born and raised

For six long years I've been in trouble,
no pleasure here on earth I've found
For in this world, I'm bound to ramble,
I have no friends to help me now.

He has no friends to help him now

It's fair thee well, my old true lover,
I never expect to see you again.
For I'm bound to ride that Northern Railroad,
perhaps I'll die upon this train

Perhaps he'll die upon this train

You can bury me in some deep valley,
For many years where I may lay.
And you may learn to love another
while I am sleeping in my grave.

While he is sleeping in his grave

Maybe your friends think I'm just a stranger
My face you never will see no more
But there is one promise that is given,
I'll meet you on Gods golden shore

He'll meet you on God's golden shore

Squeeze Box – G – +

Mama's got a squeeze box
She wears on her chest
And when Daddy comes home
He never gets no rest

'Cause she's playing all night
And the music's all right
Mama's got a squeeze box
Daddy never sleeps at night

Well the kids don't eat
And the dog can't sleep
There's no escape from the music
In the whole damn street

'Cause she's playing all night
And the music's all right
Mama's got a squeeze box
Daddy never sleeps at night

She goes in and out and in and out and in and out and in and out

She's playing all night
And the music's all tight
Mama's got a squeeze box
Daddy never sleeps at night

She goes, squeeze me, come on and squeeze me
Come on and tease me like you do
I'm so in love with you
Mama's got a squeeze box, Daddy never sleeps at night

She goes in and out and in and out and in and out and in and out

'Cause she's playing all night And the music's all right
Mama's got a squeeze box, Daddy never sleeps at night

Teach Your Children - D -

You who are on the road
Must have a code that you can live by
And so become yourself
Because the past is just a good bye.

Teach your children well,
Their father's hell did slowly go by,
And feed them on your dreams
The one they picked, the one you'll know by.

Don't you ever ask them why, if they told you, you would cry,
So just look at them and sigh and know they love you.

And you, of tender years,
Can't know the fears that your elders grew by,
And so please help them with your youth,
They seek the truth before they can die.

Counter Melody To Above Verse:
Can you hear and do you care and
Cant you see we must be free to
Teach your children what you believe in.
Make a world that we can live in.

Teach your parents well,
Their children's hell will slowly go by,
And feed them on your dreams
The one they picked, the one you'll know by.

Don't you ever ask them why, if they told you, you would cry,
So just look at them and sigh and know they love you.

These Boots Were Made For Walking - E -

Nancy Sinatra

You keep saying you've got something for me.
something you call love, but confess.
You've been messin' where you shouldn't have been a messin'
and now someone else is gettin' all your best.

These boots are made for walking, and that's just what they'll do
one of these days these boots are gonna walk all over you.

You keep lying, when you oughta be truthin'
and you keep losin' when you oughta not bet.
You keep samin' when you oughta be changin'.
Now what's right is right, but you ain't been right yet.

These boots are made for walking, and that's just what they'll do
one of these days these boots are gonna walk all over you.

You keep playin' where you shouldn't be playin'
and you keep thinkin' that you 'll never get burnt.
Ha! I just found me a brand new box of matches yeah
and what he know you ain't HAD time to learn.

Are you ready boots? Start walkin'!

Wagon Wheel – G – *

Headed down south to the land of the pines
I'm thumbin' my way into North Caroline
Starin' up the road and pray to God I see headlights.
I made it down the coast in seventeen hours
Pickin' me a bouquet of dogwood flowers
And I'm a-hopin' in Raleigh I can see my baby tonight.

Chorus:

So rock me mamma like a wagon wheel
Rock me mamma any way you feel
Hey, mamma rock me
Rock me mamma like the wind and the rain
Rock me mamma like a south-bound train
Hey, mamma rock me.

Runnin' from the cold up in New England
I was born to be a fiddler in an old time string band
My baby plays the guitar, I pick a banjo, now.
Oh and the north-country winters keep a'gettin' me
And I lost my money playing poker so I had to up and leave
But I ain't a-going back, To livin' that old life no more

{Chorus}

Walkin' to the south, out of Roanoke
I caught a trucker out of Philly, had a nice long toke
But he's a-headed west from the Cumberland Gap To Johnson City, Tennessee
And I gotta get a move on way for the sun
I hear my baby callin' my name and I know that she's the only one
And If I die in Raleigh, At least I will die free.

{Chorus}

The Weight – A –

I pulled into Nazareth, I was feelin' about half past dead;
I just need some place where I can lay my head.
"Hey, mister, can you tell me where a man might find a bed?"
He just grinned and shook my hand, and "No!", was all he said.

(Chorus:)

Take a load off Fannie, take a load for free;
Take a load off Fannie, And (and) (and) you can put the load right on me.

I picked up my bag, I went lookin' for a place to hide;
When I saw Carmen and the Devil walkin' side by side.
I said, "Hey, Carmen, come on, let's go downtown."
She said, "I gotta go, but m'friend can stick around."

(Chorus)

Go down, Miss Moses, there's nothin' you can say
It's just ol' Luke, and Luke's waitin' on the Judgement Day.
"Well, Luke, my friend, what about young Anna Lee?"
He said, "Do me a favor, son, woncha stay an' keep Anna Lee
company?"

(Chorus)

Crazy Chester followed me, and he caught me in the fog.
He said, "I will fix your rags, if you'll take Jack, my dog."
I said, "Wait a minute, Chester, you know I'm a peaceful man."
He said, "That's okay, boy, won't you feed him when you can."

(Chorus)

Catch a Cannonball, now, t'take me down the line
My bag is sinkin' low and I do believe it's time.
To get back to Miss Annie, you know she's the only one.
Who sent me here with her regards for everyone.

(Chorus)

You Are My Sunshine – G -

You Are My Sunshine
My only sunshine.
You make me happy
When skies are grey.
You'll never know, dear,
How much I love you.
Please don't take my sunshine away

The other nite, dear,
As I lay sleeping
I dreamed I held you in my arms.
When I awoke, dear,
I was mistaken
And I hung my head and cried.

You are my sunshine,
My only sunshine.
You make me happy
When skies are grey.
You'll never know, dear,
How much I love you.
Please don't take my sunshine away.

I'll always love you
And make you happy
If you will only say the same
But if you leave me
To love another
You'll regret it all some day;

You are my sunshine,
My only sunshine.
You make me happy
When skies are grey.
You'll never know, dear,
How much I love you.
Please don't take my sunshine away.

You told me once, dear
You really loved me
And no one else could come between
But now you've left me

And love another
You have shattered all my dreams;

You are my sunshine,
My only sunshine.
You make me happy
When skies are grey.
You'll never know, dear,
How much I love you.
Please don't take my sunshine away.

Louisiana my Louisiana
the place where I was borne.
White fields of cotton
-- green fields clover,
the best fishing
and long tall corn;

You are my sunshine,
My only sunshine.
You make me happy
When skies are grey.
You'll never know, dear,
How much I love you.
Please don't take my sunshine away.
Crawfish gumbo and jambalaya
the biggest shrimp and sugar cane,
the finest oysters
and sweet strawberries
from Toledo Bend to New Orleans;

You are my sunshine,
My only sunshine.
You make me happy
When skies are grey.
You'll never know, dear,
How much I love you.
Please don't take my sunshine away.
