## American Pie

[Intro]  
A long, long time ago  
I can still remember how that music used to make  
me smile  
And I knew if I had my chance  
That I could make those people dance  
And maybe they'd be happy for a while

But February made me shiver  
With every paper I'd deliver  
Bad news on the doorstep  
I couldn't take one more step

I can't remember if I cried  
When I read about his widowed bride  
But something touched me deep inside  
The day the music died

[Chorus:]  
So bye, bye, Miss American Pie  
Drove my Chevy to the levee but the levee was  
dry  
And them good ole boys were drinking whiskey  
'n rye  
Singin' this'll be the day that I die  
This'll be the day that I die

[Verse 1]  
Did you write the book of love  
And do you have faith in God above  
If the Bible tells you so?  
Now do you believe in rock and roll?  
Can music save your mortal soul?  
And can you teach me how to dance real slow?

Well, I know that you're in love with him  
'Cause I saw you dancin' in the gym  
You both kicked off your shoes  
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck  
With a pink carnation and a pickup truck  
But I knew I was out of luck  
The day the music died

[Chorus:]  
I started singing bye, bye, Miss American Pie

Drove my Chevy to the levee but the levee was  
dry  
Them good ole boys were drinking whiskey 'n rye  
Singin' this'll be the day that I die  
This'll be the day that I die

[Verse 2]  
Now for ten years we've been on our own  
And moss grows fat on a rollin' stone  
But that's not how it used to be  
When the jester sang for the king and queen  
In a coat he borrowed from James Dean  
And a voice that came from you and me

Oh, and while the king was looking down  
The jester stole his thorny crown  
The courtroom was adjourned  
No verdict was returned

And while Lenin read a book on Marx  
The quartet practiced in the park  
And we sang dirges in the dark  
The day the music died

[Chorus:]  
We were singing bye, bye, Miss American Pie  
Drove my Chevy to the levee but the levee was  
dry  
Them good ole boys were drinking whiskey 'n rye  
Singin' this'll be the day that I die  
This'll be the day that I die

[Verse 3]  
Helter skelter in a summer swelter  
The birds flew off with a fallout shelter  
Eight miles high and falling fast  
It landed foul on the grass  
The players tried for a forward pass  
With the jester on the sidelines in a cast

Now the halftime air was sweet perfume  
While the sergeants played a marching tune  
We all got up to dance  
Oh, but we never got the chance

'Cause the players tried to take the field  
The marching band refused to yield  
Do you recall what was revealed  
The day the music died?

[Chorus:]

We started singing bye, bye, Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey 'n rye  
And singin' this'll be the day that I die  
This'll be the day that I die

[Verse 4]

Oh, and there we were all in one place  
A generation lost in space  
With no time left to start again  
So come on, Jack be nimble, Jack be quick  
Jack Flash sat on a candlestick  
'Cause fire is the devil's only friend

Oh, and as I watched him on the stage  
My hands were clenched in fists of rage  
No angel born in Hell  
Could break that Satan's spell

And as the flames climbed high into the night  
To light the sacrificial rite  
I saw Satan laughing with delight  
The day the music died

[Chorus:]

He was singing bye, bye, Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey 'n rye  
And singin' this'll be the day that I die

And singin' this'll be the day that I die  
This'll be the day that I die

[Outro]

I met a girl who sang the blues  
And I asked her for some happy news  
But she just smiled and turned away  
I went down to the sacred store  
Where I'd heard the music years before  
But the man there said the music wouldn't play

And in the streets, the children screamed  
The lovers cried and the poets dreamed  
But not a word was spoken  
The church bells all were broken

And the three men I admire most  
The Father, Son and the Holy Ghost  
They caught the last train for the coast  
The day the music died

[Chorus:]

And they were singing bye, bye, Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
And them good ole boys were drinking whiskey 'n rye  
Singin' this'll be the day that I die  
This'll be the day that I die

[Chorus:]

They were singing bye, bye, Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey 'n rye  
And singin' this'll be the day that I die

## A Bang On The Ear – G – \*

The Waterboys

G D C G

Lindsay was my first love she was in my class  
I would have loved to take her out but I was too shy to ask  
The fullness of my feeling was never made clear  
but I send her my love with a bang on the ear

Nora was my girl when I first was in a group  
I can still see her to this day, stirring chicken soup  
Now she's living in Australia working for an auctioneer  
but I send her my love with a bang on the ear

Deborah broke my heart and I the willing fool  
I fell for her one summer on the road to Liverpool  
I thought it was forever but it was over in a year (oh dear)  
[ Find more Lyrics on [www.mp3lyrics.org/PoMX](http://www.mp3lyrics.org/PoMX) ]  
but I give her my love with a bang on the ear

The home I made with Bella became a house of pain  
we weathered it together bound by a ball and chain  
Is started up in Fife, and ended up in tears (oh dear)  
but I send her my love with a bang on the ear

Krista was a rover from Canada she hailed  
we crossed swords in San Francisco we both lived to tell the tale  
I dont know now where she is oh but if I had her here  
I'd give her my love with a bang on the ear

So my woman of the hearthfire, harbour of my soul  
I watch you lightly sleeping and sense the  
dream that does unfold (like gold)  
You to me are treasure, you to me are dear  
so I'll give you my love with a bang on the ear

## Brown Eyed Girl Van Morrison – G –

Hey where did we go,  
Days when the rains came  
Down in the hollow,  
Playin' a new game,  
Laughing and a running hey, hey  
Skipping and a jumping  
In the misty morning fog with  
Our hearts a thumpin' and you  
My brown eyed girl, You my brown eyed girl.

Whatever happened  
To Tuesday and so slow  
Going down the old mine  
With a transistor radio  
Standing in the sunlight laughing,  
Hiding behind a rainbow's wall,  
Slipping and sliding  
All along the water fall, with you  
My brown eyed girl, You my brown eyed girl.

Do you remember when we used to sing,  
Sha la la la la la la la la te da

So hard to find my way,  
Now that I'm all on my own.  
I saw you just the other day,  
My how you have grown,  
Cast my memory back there, Lord  
Sometime I'm overcome thinking 'bout  
Making love in the green grass  
Behind the stadium with you  
My brown eyed girl  
You my brown eyed girl

Do you remember when we used to sing  
Sha la la la la la la la la te da.

## Country Roads – G –

Almost heaven, west Virginia  
Blue ridge mountains, Shenandoah river  
Life is old there, older than the trees  
Younger than the mountains, blowing like a breeze

Country roads, take me home  
To the place, I be-long  
West Virginia, mountain momma  
Take me home, country roads

All my mem'ries, gather 'round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrop in my eye

Country roads, take me home  
To the place, I be-long  
West Virginia, mountain momma  
Take me home, country roads

I hear her voice, in the mornin' hours she calls to me  
The radio reminds me of my home far a-way  
And drivin' down the road I get a feeling'  
That I should have been home yesterday, yesterday

Country roads, take me home  
To the place, I be-long  
West Virginia, mountain momma  
Take me home, country roads

## **Crocodile Rock - G -**

I remember when rock was young  
Me and Suzie had so much fun  
holding hands and skimming stones  
Had an old gold Chevy and a place of my own  
But the biggest kick I ever got  
was doing a thing called the Crocodile Rock  
While the other kids were Rocking Round the Clock  
we were hopping and bopping to the Crocodile Rock

Well Crocodile Rocking is something shocking  
when your feet just can't keep still  
I never knew me a better time and I guess I never will  
Oh Lawdy mama those Friday nights  
when Suzie wore her dresses tight  
and the Crocodile Rocking was out of sight

But the years went by and the rock just died  
Suzie went and left us for some foreign guy  
Long nights crying by the record machine  
dreaming of my Chevy and my old blue jeans  
But they'll never kill the thrills we've got  
burning up to the Crocodile Rock  
Learning fast as the weeks went past  
we really thought the Crocodile Rock would last

## Daydream

What a day for a daydream  
What a day for a daydreamin' boy  
And I'm lost in a daydream  
Dreamin' 'bout my bundle of joy

And even if time ain't really on my side  
It's one of those days for taking a walk outside  
I'm blowing the day to take a walk in the sun  
And fall on my face on somebody's new-mown lawn

I've been having a sweet dream  
I been dreaming since I woke up today  
It's starring me and my sweet thing  
'Cause she's the one makes me feel this way

And even if time is passing me by a lot  
I couldn't care less about the dues you say I got  
Tomorrow I'll pay the dues for dropping my load  
A pie in the face for being a sleepy bull dog

And you can be sure that if you're feeling right  
A daydream will last long into the night  
Tomorrow at breakfast you may pick up your ears  
Or you may be daydreaming for a thousand years

What a day for a daydream  
Custom-made for a daydreaming boy  
And I'm lost in a daydream  
Dreaming 'bout my bundle of joy

## Do You Realize – C – \*

Do You Realize - that you have the most beautiful face  
Do You Realize - we're floating in space -  
Do You Realize - that happiness makes you cry  
Do You Realize - that everyone you know someday will die

And instead of saying all of your goodbyes - let them know  
You realize that life goes fast  
It's hard to make the good things last  
You realize the sun doesn't go down  
It's just an illusion caused by the world spinning round

Do You Realize - Oh - Oh - Oh  
Do You Realize - that everyone you know  
Someday will die -

And instead of saying all of your goodbyes - let them know  
You realize that life goes fast  
It's hard to make the good things last  
You realize the sun doesn't go down  
It's just an illusion caused by the world spinning round

Do You Realize - that you have the most beautiful face  
Do You Realize

## Don't Pass Me By – C – \*

I listen for your footsteps  
Coming up the drive  
Listen for your footsteps  
But they don't arrive  
Waiting for your knock dear  
On my old front door  
I don't hear it  
Does it mean you don't love me any more.

I hear the clock a'ticking  
On the mantel shelf  
See the hands a'moving  
But I'm by myself  
I wonder where you are tonight  
And why I'm by myself  
I don't see you  
Does it mean you don't love me any more.

Don't pass me by don't make me cry don't make me blue  
'Cause you know darling I love only you  
You'll never know it hurt me so  
How I hate to see you go  
Don't pass me by don't make me cry

I'm sorry that I doubted you  
I was so unfair  
You were in a car crash  
And you lost your hair  
You said you would be late  
About an hour or two  
I said that's alright I'm waiting here  
Just waiting to hear from you.

## Fox On The Run - A -

A E Bm D  
She walks through the corn heading down to the river  
Bm E D A  
Her hair shone like gold in the hot morning sun  
A E Bm D  
She took all the love that a poor boy could give her.  
Bm E D A  
And left me to die like a fox on the run  
D A  
Like a fox, like a fox, like a fox on the run.

D A E A  
Now everybody knows the reason for the fall  
D A B7 E  
Woman tempted man down in Paradise's Hall  
D A E A  
This woman tempted me and she took me for a ride  
D A E A  
Like a lonely fox, I need a place to hide.

Oh, we'll drink a glass of wine to fortify our souls.  
We'll talk about the world and the friends we used to know.  
I've seen a string of girls, who've left me on the floor  
The game is almost up and the hounds are at the door.

## Happy Together

Imagine me and you, I do  
I think about you day and night  
It's only right  
To think about the girl you love  
And hold her tight  
So happy together

If I should call you up, invest a dime  
And you say you belong to me  
And ease my mind  
Imagine how the world could be  
So very fine  
So happy together

I can't see me loving nobody but you for all my life  
When you're with me, baby, the skies will be blue for all my life

Me and you and you and me  
No matter how they tossed the dice  
It had to be  
The only one for me is you  
And you for me  
So happy together

I can't see me loving nobody but you for all my life  
When you're with me, baby, the skies will be blue for all my life

Me and you and you and me  
No matter how they tossed the dice  
It had to be  
The only one for me is you  
And you for me  
So happy together  
...

So happy together  
So happy together

How is the weather?  
So happy together  
We're happy together

Me and you and you and me  
No matter how they tossed the dice  
It had to be  
The only one for me is you  
And you for me

So happy together  
We're happy together  
So happy together  
So happy together

## Harvest Moon - D -

Come a little bit closer  
Hear what I have to say  
Just like children sleepin'  
We could dream this night away.

But there's a full moon risin'  
Let's go dancin' in the light  
We know where the music's playin'  
Let's go out and feel the night.

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon.

When we were strangers  
I watched you from afar  
When we were lovers  
I loved you with all my heart.

But now it's gettin' late  
And the moon is climbin' high  
I want to celebrate  
See it shinin' in your eye.

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon.

## Honky Tonky Woman – G – +

I met a gin soaked, bar-room queen in memphis,  
She tried to take me upstairs for a ride.  
She had to heave me right across her shoulder  
cause I just cant seem to drink you off my mind.

Its the honky tonk women  
Gimme, gimme, gimme the honky tonk blues.

I laid a divorcee in New York city,  
I had to put up some kind of a fight.  
The lady then she covered me with roses,  
She blew my nose and then she blew my mind.

Its the honky tonk women  
Gimme, gimme, gimme the honky tonk blues.

(yeah!) its the honky tonk women.  
Gimme, gimme, gimme the honky tonk blues.

*harmonica*

2X (yeah!) its the honky tonk women.  
Gimme, gimme, gimme the honky tonk blues

## I Can See Clearly Now - D

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind  
It's gonna be a bright (bright)  
Bright (bright) sunny day  
It's gonna be a bright (bright)  
Bright (bright) sunny day

Oh, yes I can make it now the pain is gone  
All of the bad feelings have disappeared  
Here is that rainbow I've been praying for  
It's gonna be a bright (bright)  
Bright (bright) sunny day

(Ooh...) Look all around, there's nothing but blue skies  
Look straight ahead, there's nothing but blue skies

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Here is that rainbow I've been praying for  
It's gonna be a bright (bright)  
Bright (bright) sunny day  
It's gonna be a bright (bright)  
Bright (bright) sunny day  
It's going to be a bright (bright)  
Bright (bright) sunny day  
Yeah, hey, it's gonna be a bright (bright) bright (bright)  
Sunny day

## I Like Trains (Fred Eaglesmith) - Am - E7 F G

Sixteen miles from arkadelphia, right near the texas border  
traffic was stopped at a railway crossing, I took it to the border  
I stoked the kettle I put it to the metal, I shook the gravel loose  
I missed the train but I was happy with, a glimpse of the caboose

(chorus) cause I like trains

I like fast trains

I like trains that call out through the rain

I like trains

I like sad trains

I like trains that whisper your name  
I was born on a greyhound bus  
my momma was a diesel engine  
they tried to put me behind the wheel  
but I wouldn't let them  
you should have seen the look in their eyes  
and how it turned to tears  
when I finally told them I wanna be an engineer

(Bridge)

now you think I've got someone new  
But darling, that ain't true  
I could never love another woman besides you  
It's not some dewy-eyed  
Darlin', darlin', that's gonna drive you insane  
but anymore I'd be listenin' for  
the sound of a big ol' train

(chorus)

cause I like trains

I like fast trains

I like trains that call out through the rain

I like trains

I like sad trains

I like trains that whisper your name

## I Saw Her Standing There – D -

Well, she was just 17,  
You know what I mean,  
And the way she looked was way beyond compare.  
So how could I dance with another (ooh)  
When I saw her standin' there.

Well she looked at me, and I, I could see  
That before too long I'd fall in love with her.  
She wouldn't dance with another (whooh)  
When I saw her standin' there.

Well, my heart went "boom,"  
When I crossed that room,  
And I held her hand in mine...

Well, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
Now, I'll never dance with another (whooh)  
When I saw her standing there

Well, my heart went "boom,"  
When I crossed that room,  
And I held her hand in mine...

Oh, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
Now I'll never dance with another (whooh)  
Since I saw her standing there 3x

## **I'm a believer - G -**

I thought love was only true in fairy tales  
Meant for someone else but not for me.  
Love was out to get me  
Thats the way it seemed.  
Disappointment haunted all my dreams.

Then I saw her face, now Im a believer  
Not a trace of doubt in my mind.  
Im in love, Im a believer!  
I couldnt leave her if I tried.

I thought love was more or less a given thing,  
Seems the more I gave the less I got.  
Whats the use in tryin?  
All you get is pain.  
When I needed sunshine I got rain.

Then I saw her face, now Im a believer  
Not a trace of doubt in my mind.  
Im in love, Im a believer!  
I couldnt leave her if I tried.

## **I've Just Seen a Face – G -**

by Lennon, McCartney

I've just seen a face,  
I can't forget the time or place  
That we'd just met, she's just the girl for me  
And I want all the world to see we've met  
Na na na na na na

Had it been another day  
I might have looked the other way  
But I had never been aware  
And as it is I dream of her tonight  
Na na na na na na

CHORUS:

Falling, yes I am falling  
And she keeps calling me back again

I have never known  
The likes of this, I've been alone  
And I have missed things and kept out of sight  
But other girls were never quite like this  
Na na na na na na

CHORUS

I've just seen a face  
I can't forget the time or place  
And we'd just met, she's just the girl for me  
And I want all the world to see we've met  
Na na na na na na

CHORUS

## Itsy Bitsy Spider – C D7 G

### *Chorus*

The Itsy Bitsy (or Eensy Weensy)  
Spider  
Climbed Up The Waterspout  
Down Came The Rain  
And Washed The Spider Out  
Out Came The Sun  
And Dried Up All The Rain  
And The Itsy Bitsy Spider  
Climbed Up The Spout Again

The Itsy Bitsy Spider  
Climbed Up The Kitchen Wall  
Swoosh! Went The Fan  
And Made The Spider Fall  
Off Went The Fan  
No Longer Did It Blow  
So The Itsy Bitsy Spider  
Back Up The Wall Did Go

The Itsy Bitsy Spider  
Climbed Up The Rocking Chair  
Up Jumped A Cat  
And Knocked Her In The Air  
Down Plopped The Cat  
And When He Was Asleep  
The Itsy Bitsy Spider  
Back Up The Chair Did Creep

### *Optional verses*

The Itsy Bitsy Spider  
Climbed Up The Yellow Pail  
In Came A Mouse  
And Flicked Her With His Tail  
Down Fell The Spider  
The Mouse Ran Out The Door  
Then The Itsy Bitsy Spider  
Climbed Up The Pail Once More

The Itsy Bitsy Spider  
Climbed Up The Maple Tree  
She Slipped On Some Dew  
And Landed Next To Me  
Out Came The Sun  
And When The Tree Was Dry  
The Itsy Bitsy Spider  
Gave It One More Try

The Itsy Bitsy Spider  
Climbed Up Without A Stop  
She Spun A Silky Web  
Right At The Very Top  
She Wove And She Spun  
And When Her Web Was Done  
The Itsy Bitsy Spider  
Rested In The Sun

## Let it Be – A –

*Open with banjo Beverly Hillbillys*

When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom, let it be.  
And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom, let it be.  
Let it be, let it be.  
Whisper words of wisdom, let it be.

And when the broken hearted people  
Living in the world agree,  
There will be an answer, let it be.  
For though they may be parted there is  
Still a chance that they will see  
There will be an answer, let it be.  
Let it be, let it be. Yeah  
There will be an answer, let it be.

And when the night is cloudy,  
There is still a light that shines on me,  
Shine on until tomorrow, let it be.  
I wake up to the sound of music  
Mother Mary comes to me  
Speaking words of wisdom, let it be.  
Let it be, let it be.  
There will be an answer, let it be.  
Let it be, let it be,  
Whisper words of wisdom, let it be

## Louie Louie in A

(originally by Richard Berry)

Louie, Louie, oh no, I said we gotta go  
Yeah yeah yeah yeah yeah I said  
Louie, Louie, oh baby, I said we gotta go

A fine little girl, she waits for me  
Me catch a ship across the sea  
Me sail that ship all alone  
Me never think how I'll make it home

Louie, Louie, no, no, no, no, no, I said we gotta go  
Oh no, I said  
Louie, Louie, oh baby, I said we gotta go

Three nights and days I sail the sea  
I think of girl constantly  
On that ship, I dream she there  
I smell the rose in her hair

Louie, Louie, oh no, I said we gotta go  
Yeah, yeah, yeah, yeah I said  
Louie, Louie, oh baby, I said we gotta go

Okay, let's give it to 'em, right now! (Banjo)

Me see  
Me see Jamaican moon above  
It won't be long me see me love  
Me take her in my arms and then  
I tell her I'll never leave again

Louie, Louie, oh no, I said we gotta go  
Yeah, yeah, yeah, yeah I said  
Louie, Louie, oh baby, I said we gotta go

I said we gotta go now

Let's get on outta here

Let's go!

## A Man of Constant Sorrow – G –

I am the man of constant sorrow  
I've seen trouble all my days  
I bid farewell to ol' Kentucky  
The place where I was born and raised.

*The place where he was born and raised*

For six long years I've been in trouble,  
no pleasure here on earth I've found  
For in this world, I'm bound to ramble,  
I have no friends to help me now.

*He has no friends to help him now*

It's fair thee well, my old true lover,  
I never expect to see you again.  
For I'm bound to ride that Northern Railroad,  
perhaps I'll die upon this train

*Perhaps he'll die upon this train*

You can bury me in some deep valley,  
For many years where I may lay.  
And you may learn to love another  
while I am sleeping in my grave.

*While he is sleeping in his grave*

Maybe your friends think I'm just a stranger  
My face you never will see no more  
But there is one promise that is given,  
I'll meet you on Gods golden shore

*He'll meet you on God's golden shore*

## Splish Splash

Splish splash, I was taking a bath  
Long about a Saturday night, yeah  
A rub dub, just relaxing in the tub  
Thinking everything was alright

Well, I stepped out the tub, put my  
feet on the floor  
I wrapped the towel around me  
And I opened the door, and then a  
Splish, splash, I jumped back in the  
bath

Well, how was I to know there was a  
party going on?

They was a-splishing and a-splashing  
Reeling with the feeling  
Moving and a-grooving  
Rocking and a-rolling, yeah

## Squeeze Box – G – +

Mama's got a squeeze box  
She wears on her chest  
And when Daddy comes home  
He never gets no rest

'Cause she's playing all night  
And the music's all right  
Mama's got a squeeze box  
Daddy never sleeps at night

Well the kids don't eat  
And the dog can't sleep  
There's no escape from the music  
In the whole damn street

'Cause she's playing all night  
And the music's all right  
Mama's got a squeeze box  
Daddy never sleeps at night

### *Banjo*

She goes in and out and in and out and in and out and in and out

She's playing all night  
And the music's all tight  
Mama's got a squeeze box  
Daddy never sleeps at night

She goes, squeeze me, come on and squeeze me  
Come on and tease me like you do  
I'm so in love with you  
Mama's got a squeeze box, Daddy never sleeps at night

### *Harmonica*

She goes in and out and in and out and in and out and in and out

'Cause she's playing all night And the music's all right  
Mama's got a squeeze box, Daddy never sleeps at night

## That'll Be The Day - G

Well, that'll be the day when you say goodbye  
Yes, that'll be the day when you make me cry  
You say you gonna leave, you know it's a lie  
'Cause that'll be the day when I die

Well, you give me all your lovin' and your turtle dovin'  
All your hugs and kisses and your money, too  
Well, you know you love me, baby  
Still you tell me, maybe  
That some day, well, I'll be blue

Well, that'll be the day when you say goodbye  
Yes, that'll be the day when you make me cry  
You say you gonna leave, you know it's a lie  
'Cause that'll be the day when I die

Well, that'll be the day when you say goodbye  
Yes, that'll be the day when you make me cry  
You say you gonna leave, you know it's a lie  
'Cause that'll be the day when I die

Well, when Cupid shot his dart  
He shot it at your heart  
So if we ever part and I leave you  
You say you told me, an' you told me boldly  
That someday, well, I'll be blue

Well, that'll be the day when you say goodbye  
Yes, that'll be the day when you make me cry  
You say you gonna leave, you know it's a lie  
'Cause that'll be the day when I die

Well that'll be the day, ooh hoo  
That'll be the day, ooh hoo  
That'll be the day, ooh hoo  
That'll be the day

## Teach Your Children - D -

You who are on the road  
Must have a code that you can live by  
And so become yourself  
Because the past is just a good bye.

Teach your children well,  
Their father's hell did slowly go by,  
And feed them on your dreams  
The one they picked, the one you'll know by.

Don't you ever ask them why, if they told you, you would cry,  
So just look at them and sigh and know they love you.

### ***Counter melody***

And you, of tender years,  
Can't know the fears that your elders grew by,  
And so please help them with your youth,  
They seek the truth before they can die.

### ***Counter Melody To Above Verse:***

Can you hear and do you care and  
Cant you see we must be free to  
Teach your children what you believe in.  
Make a world that we can live in.

Teach your parents well,  
Their children's hell will slowly go by,  
And feed them on your dreams  
The one they picked, the one you'll know by.

Don't you ever ask them why, if they told you, you would cry,  
So just look at them and sigh and know they love you.

## **These Boots Were Made For Walking - E -**

Nancy Sinatra

You keep saying you've got something for me.  
something you call love, but confess.  
You've been messin' where you shouldn't have been a messin'  
and now someone else is gettin' all your best.

These boots are made for walking, and that's just what they'll do  
one of these days these boots are gonna walk all over you.

You keep lying, when you oughta be truthin'  
and you keep losin' when you oughta not bet.  
You keep samin' when you oughta be changin'.  
Now what's right is right, but you ain't been right yet.

These boots are made for walking, and that's just what they'll do  
one of these days these boots are gonna walk all over you.

You keep playin' where you shouldn't be playin'  
and you keep thinkin' that you'll never get burnt.  
Ha! I just found me a brand new box of matches yeah  
and what he know you ain't HAD time to learn.

Are you ready boots? Start walkin'!

## On Top of Spaghetti

On top of spaghetti  
All covered with cheese  
I lost my poor meatball  
When somebody sneezed.

It rolled off the table  
And onto the floor  
And then my poor meatball  
Rolled out of the door.

It rolled in the garden  
And under a bush  
And then my poor meatball  
Was nothing but mush.

The mush was as tasty  
As tasty could be  
And early next summer  
It grew into a tree.

The tree was all covered  
With beautiful moss  
It grew great big meatballs  
And tomato sauce.

So if you eat spaghetti  
All covered with cheese  
Hold on to to your meatballs  
And don't ever sneeze.

## Wagon Wheel – G – \*

Headed down south to the land of the pines  
I'm thumbin' my way into North Caroline  
Starin' up the road and pray to God I see headlights.  
I made it down the coast in seventeen hours  
Pickin' me a bouquet of dogwood flowers  
And I'm a-hopin' in Raleigh I can see my baby tonight.

### **Chorus:**

So rock me mamma like a wagon wheel  
Rock me mamma any way you feel  
Hey, mamma rock me  
Rock me mamma like the wind and the rain  
Rock me mamma like a south-bound train  
Hey, mamma rock me.

Runnin' from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays the guitar, I pick a banjo, now.  
Oh and the north-country winters keep a'gettin' me  
And I lost my money playing poker so I had to up and leave  
But I ain't a-going back, To livin' that old life no more

{Chorus}

Walkin' to the south, out of Roanoke  
I caught a trucker out of Philly, had a nice long toke  
But he's a-headed west from the Cumberland Gap To Johnson City, Tennessee  
And I gotta get a move on way for the sun  
I hear my baby callin' my name and I know that she's the only one  
And If I die in Raleigh, At least I will die free.

{Chorus}

## The Weight – A –

I pulled into Nazareth, I was feelin' about half past dead;  
I just need some place where I can lay my head.  
"Hey, mister, can you tell me where a man might find a bed?"  
He just grinned and shook my hand, and "No!", was all he said.

(Chorus:)

Take a load off Fannie, take a load for free;  
Take a load off Fannie, And (and) (and) you can put the load right on me.

I picked up my bag, I went lookin' for a place to hide;  
When I saw Carmen and the Devil walkin' side by side.  
I said, "Hey, Carmen, come on, let's go downtown."  
She said, "I gotta go, but m'friend can stick around."

(Chorus)

Go down, Miss Moses, there's nothin' you can say  
It's just ol' Luke, and Luke's waitin' on the Judgement Day.  
"Well, Luke, my friend, what about young Anna Lee?"  
He said, "Do me a favor, son, woncha stay an' keep Anna Lee  
company?"

(Chorus)

Crazy Chester followed me, and he caught me in the fog.  
He said, "I will fix your rags, if you'll take Jack, my dog."  
I said, "Wait a minute, Chester, you know I'm a peaceful man."  
He said, "That's okay, boy, won't you feed him when you can."

(Chorus)

Catch a Cannonball, now, t'take me down the line  
My bag is sinkin' low and I do believe it's time.  
To get back to Miss Annie, you know she's the only one.  
Who sent me here with her regards for everyone.

(Chorus)

all through the town.

## Yellow Submarine - G Em D7

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines

So we sailed on to the sun  
Till we found a sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all aboard  
Many more of them live next door  
And the band begins to play

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

{Full speed ahead Mr. Boatswain, full speed  
ahead  
Full speed ahead it is, Sgt.  
Cut the cable, drop the cable  
Aye, aye, Sir, aye, aye  
Captain, captain}

As we live a life of ease  
Every one of us has all we need  
(One of us, has all we need)  
Sky of blue and sea of green  
(Sky of blue, sea of green)  
In our yellow submarine  
(In our yellow, submarine, aha)

We all live in a yellow submarine  
A yellow submarine, yellow submarine  
We all live in a yellow submarine  
A yellow submarine, yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

## You Are My Sunshine - G -

You Are My Sunshine  
My only sunshine.  
You make me happy  
When skies are grey.  
You'll never know, dear,  
How much I love you.  
Please don't take my sunshine away

The other nite, dear,  
As I lay sleeping  
I dreamed I held you in my arms.  
When I awoke, dear,  
I was mistaken  
And I hung my head and cried.

You are my sunshine,  
My only sunshine.  
You make me happy  
When skies are grey.  
You'll never know, dear,  
How much I love you.  
Please don't take my sunshine away.

I'll always love you  
And make you happy  
If you will only say the same  
But if you leave me  
To love another  
You'll regret it all some day;

You are my sunshine,  
My only sunshine.  
You make me happy  
When skies are grey.  
You'll never know, dear,  
How much I love you.  
Please don't take my sunshine away.

You told me once, dear  
You really loved me  
And no one else could come between  
But now you've left me  
And love another  
You have shattered all my dreams;

You are my sunshine,  
My only sunshine.  
You make me happy  
When skies are grey.  
You'll never know, dear,  
How much I love you.  
Please don't take my sunshine away.

Louisiana my Louisiana  
the place where I was borne.  
White fields of cotton  
-- green fields clover,  
the best fishing  
and long tall corn;

You are my sunshine,  
My only sunshine.  
You make me happy  
When skies are grey.  
You'll never know, dear,  
How much I love you.  
Please don't take my sunshine away.  
Crawfish gumbo and jambalaya  
the biggest shrimp and sugar cane,  
the finest oysters  
and sweet strawberries  
from Toledo Bend to New Orleans;

You are my sunshine,  
My only sunshine.  
You make me happy  
When skies are grey.  
You'll never know, dear,  
How much I love you.  
Please don't take my sunshine away.
